## School Management Committee (SMC) – Formation & Invitation to Parents

St. Francis School, Bandikui

St. Francis School, Bandikui, is in the process of constituting its School Management Committee (SMC) for the academic session, in accordance with CBSE norms and the Right to Education (RTE) Act guidelines. The SMC plays a vital role in school governance by bringing together parents, teachers, and the school administration to work collectively toward the institution's growth and development.

### Role of the School Management Committee:

- Monitoring the school's academic and administrative functioning
- Ensuring effective utilization of school resources and facilities
- Offering valuable feedback and suggestions for continuous improvement
- Strengthening communication between parents and the school management

### Invitation to Parents

The school warmly invites interested parents to become a part of this committee and contribute meaningfully to the school's progress. Parents who wish to nominate themselves as representatives are requested to share the following details with the school office:

- Parent's name
- Ward's name and class/section
- A brief note on interest or relevant experience (if any)

Last date to submit application: 28/09/2025

Selection of parent representatives will be carried out in accordance with CBSE guidelines to ensure fair and balanced representation.

We look forward to active participation from our parent community in this important initiative.

*For queries, please contact the school office.*
